## COVER LETTER

Dear sir/madam

Nowadays, I'm studying at National University of Cheasim Kamchaymear (NUCK). My major is Computer Science. I got a news that your organization need to choose a lot of employers for work. I have known this news because I heard it from my Teacher and sister told me. I'm really interesting on it.

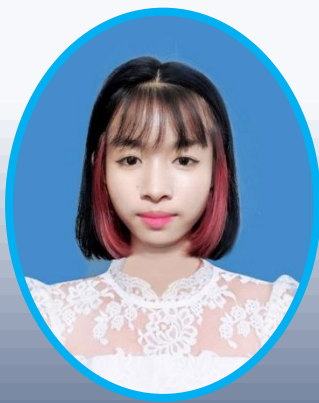

According my experiences and ability, if you get me into your organization, I believe that I can work better. I used to do the volunteer work in my university. Moreover, my teacher asking me as a volunteer to making a club study to teaching my friends and children in the village and at school. And I used to work at two private school in the position of accounting, graphic design and teaching.

I'm really interesting on this position (documentation clerk). I can get some new experiences more, know about new people, new knowledge and new places. If I can work in your organization, I will try my best to do this work.

Finally, I am looking forward to hearing from you and learning more about this job. I hope you give a chance for me. If I can work in your company, I will try my best to do it well.

Yours sincerely,

**POR SIVTEA**
